

Builders Association of North Central Indiana Scholarship Application

Purpose: The Builders Association of North Central Indiana Scholarship Fund long-time passion of our members has been to assist those who have chosen building trades as their future vocation to continue in that field and to excel in their studies.

Awards: The Scholarship Fund will award scholarships to deserving students who have chosen the building industry as their vocation. Scholarships will be awarded to individuals desiring to continue their education to enhance their career in the building industry, whether it be a structured degree, certification, designation apprenticeship, or an approved continuing education class.

The awards are no less than \$1000 per school year and are not automatically renewable. Students may re-apply if they continue with a trade related degree. The award is subject to change at the discretion of the Builders Association of North Central Indiana. Possible reasons for changing the award amount would be an increase in scholarship fund endowment, increasing college tuition costs, and the scholarship review committee's decision to increase the number and amount of awards. The award will be deposited with the controller of the appropriate school in the student's name and is to be used for tuition and fees redemption only.

Eligibility: The student must be at least a senior in high school and be in good standing with the school. The student must also be a legal resident of either Fulton, Kosciusko, or Marshall counties and be enrolled in a construction technology program or a related construction field of study. Past recipients are eligible.

Criteria: Each student will be judged according to academic achievement, prior work experience in the area of construction technology, recommendations by faculty and employers and specific career objectives.

Selection: Applications must be submitted to the Builders Association of North Central Indiana by April 15, 2026. The announcement of the winning candidate(s) will occur by April 30, 2026.

**Applications are due by April 15, 2026 and can be submitted via mail or email:
Banci Scholarship Fund, 523 S. Buffalo St., Warsaw, IN 46580

Builders Association of North Central Indiana | Scholarship Application

The Builders Association of North Central Indiana is a regional trade organization representing Indiana's home building, remodeling and light commercial construction industry. Our scholarship program has been developed to assist students studying construction technology or a related construction field. We encourage students who have an interest in finding a career within the residential construction industry to apply.
